Oh yeah
Leaving town
Out again

When days are done
Black times again
Good times are over
Hard times again
This ain't no better than my hometown
The place I left behind
On the sidewalks as I move along
Hitch-hiker man on the road

On the road again
On the road again
On the road again
On the road

Came to this northern town
Looking for the Promised Land
Dwelt among gangster men
Pusher man and preacher man
Would sell his selfishness for happiness
And security
A place where people sell themselves
Hitch-hiker man on the road

[chorus]

[repeat and fade]
