Prepare to meet thy creator

Lesson of the Father is a good thing, it is a must  
Lesson of the Father is a good thing, it is a must

Beware of those evil men, beware of those evil men  
Jah, I beg you, stop them before it's too late  
Jah, I beg you, stop them before it's too late

Come one, come all for your salvation  
Is the only way to be free from all mystery (?)  
Wicked destruction is a must  
Wicked destruction is a must

Stop them before it's too late  
Jah, I beg you, stop them before it's too late  
Stop them, Jah Jah  
Stop them before it's too late
