Make Believe Island

Words by Nick and Charles Kenny

#1 week of July 10, 1940 through July 17, 1940

Make Believe Island is waiting just for you,
Beautiful island beyond the blue.
Make Believe Island is waiting 'round the bend,
Magical island of lush detail.

In fair tropical splendor
Love will find you and then
To it fondly surrender
Whisp'ring "kiss me again".

Wonderful island where broken dreams come true.
Make Believe Island beyond the blue.
