There goes the choir... aint for me though!

Do you teddy mitchell wish to take her as your lawfully
Wedded wife happily ever after?
No I don't but I can tell you what I do, I never ever
Ever ever everevereverever plan to say "I do"

Good evening ladies and gentlemen
I'm so so impressed by the turnout tonight
And have to compliment everyone on the choice of my
Attire
Which I must say is spelndid
It's only right I do my duty as best man
I mean bestest man
Cause I'm the best best man you can get
See I've known the groom since the grandeur days
When we used to sneak in and watch our dad's pornos
Together
So I can also say I known him as my girlfriends nipples
And have to be as real as possible with him
Mate now you've said "I do" you're done!
So said goodbye to a world of coming home when you
want
And going out when you want forever
See I've stayed ready with my answer if the vicar was
To ever ask me

Do you teddy mitchell wish to take her as your lawfully
Wedded wife happily ever after?
No I don't but I can tell you what I do, I never ever
Ever ever everevereverever plan to say "I do"

Secondly I'd like to thank the groom
For the toast proposed to the bridesmaids
Whom I'm definitely gonna deflower by the end of the
Night
At least two of them anyways
Marriage to me is nothing but a civil contract
And I also see it as an institution
And who the fuck wants to live in an institution hein?
I mean is kinda like school

Once that bell rings yous got to go back in
So once them wedding bells ring
You're in for the turning
I mustn't say I don't believe in relations
But in most cases marriages or relationships end up
Sinking
It's a chick's business to get married as soon as
Possible
And a bruv's business to keep unmarried as long as
Possible
So I'm always gonna stay ready of my answer
If the vicar was to ever ask me
