(s. hoffs/v. peterson/d. peterson)

Bangles

When i saw you  
Every single part of me said  
Yeah, yeah, yeah  
My eyes wanted  
My lips wanted to, you know  
Lose control

No matter matter what  
You're gonna gonna get the girl  
I really wanna  
Gotta gotta get the girl

I can tell you  
Got the kind of magic to share  
Show me love (love love love)

Wherever you go  
There you are  
There you are (there you are)  
A superstar

No matter matter what  
You're gonna gonna get the girl  
(wanna be your girl, wanna be your girl)  
No matter matter what  
You're gonna gonna get the girl  
(wanna be your girl, wanna be your girl)

I really wanna  
Gonna gonna get the girl  
I really wanna  
You're gonna gonna get the girl  
I really wanna  
You're gonna gonna get the girl

No matter matter what  
You're gonna gonna get the girl  
(wanna be your girl, wanna be your girl)

I really wanna  
You've gotta gotta get the girl  
(gotta be your girl, wanna be your girl)

A superstar  
Is what you are  
(wanna be your girl, wanna be your girl)
