(v. peterson/s. hoffs)
Vicki

Saw your head turned a bit too far to the right now
Saw the eye go a little spark when she walks by now

But if you wanna love
You wanna love another girl
I'll leave it up to you
But i won't be tested
(you feel restless now)
While you feel restless (restless)

Now i'm wondering every time that you hold me
Well, should i question anything you have told me

But if you wanna love
You wanna love another girl
I'll leave it up to you
But i won't be tested
(you feel restless now)
While you feel restless (restless) yeah

I remember when you and i were a nation
I could trust you in any dark situation

But if you wanna love
You wanna love another girl
I'll leave it up to you
But i won't be tested
(you feel restless now)
While you feel restless (restless)
