Everything in a moment starting where
Something you said is hanging in the air
Now I know my life is sweetening
Changing everything.

Something that you said
Turned me from the inside out
Running through my head
Something I have dreamed about
And I feel so real (feel so right)
And I feel so right
(Something you said).

Showing you every weakness and feeling strong for it
I used to run from real love now I long for it
Now I know what I've been missing
Since I've been listening.

Something that you said
Turned me from the inside out
Lyin' in my bed
Whispering your name out loud
And I feel so real (feels so right)
And it feels so right
Something that you said
Got through to me tonight.

Never so far you can't call me back
I'm never more than a single kiss away.

And I feel so real
And it feels so right
(Something you said).

Something that you said
Turned me from the inside out
Running through my head
Something I have dreamed about
And I feel so real (feel so right)
And I feel so right
(Something you said).

Something that you said
Turned me from the inside out
Lying in my bed
Whispering your name out loud
(Something you said)
And I feel
And I feel so (right)
And I feel so right
(Something you said).

Something that you said
Turn me from the inside out
Running through my head
Something I have dreamed about.
