I feel it leading me

Away to I don't know where.

I might be back someday,

But the people and things will change

And no one will remember me then.

Don't need no sympathy,

For soon I'll forget everything.

I feel it fading now,

And I see in the eyes of my love

Tears for how it might have been.

It sure felt good for a while.

Yes it was good for a while.

I found somebody to take my hand

To the promised land of the loved.

Now as the night draws in,

A dark with no promise of dawn,

I feel my eyes grow dim,

As I see in the eyes of my love

Tears for how it might have been.

It sure felt good for a while.

Yes it was good for a while.

I found somebody to take my hand

To the promised land of the loved
