Inside will Hell arise
To overcome and change?
Will you make the difference?
Make the change?

Inside will Hell arise
To overcome and change
Will you make the difference?
Make the change?

Separation
Separation
Separation
You must rise

Separation
Separation
Separation
You must rise

Inside will Hell arise
To overcome and change?
Will you make the difference?
Make the change?

Inside will Hell arise
To overcome and change?
Will you make the difference?
Make the change?

Of a body left plagued
Disfigured with blind hate
Of a body left plagued
Disfigured

Separation
Separation
Separation
You must rise

Separation
Separation

Separation
You must rise

Your fears, they embrace
Well, every part of you
Will you make the difference?
Make the change?

Empower
Your heart and mind
To make a difference
And change the life for those

Who hide in fear of you
Of torment
Of flesh and blood

We're all the same
We're all the same
We're all the same
We're all the same

And you separate this smile
And you separate this smile
From your molded mask
Empower
Empower
Empower
