Hail in these times appointed Jah rain on earth is now  
Jah came to break down pressure and to set the captive  
free

Drive away transgressors and to rule I quality  
Equal rights and justice stands for I and I all  
And all those that love Satan kingdom must fall  
Let hands and heart be pure and clean to rally round  
the red the gold and the green

Come on all you children of the nation  
The day of glory is now at hand  
We see the bloody flag
