I Needed To Change
I Needed To Change
It's All In A Game That You Say, That You Say
I Could Take My (Loss??)
Take It Back To ('Em??)

All Night Long
You're Playing Chess All Day
And No One Seems To Care
They Played Chess All Day
And No One Seems Aware

I Could Take Nice (Back??)
Selling Rented (Coats Cords??)
That Gave To Follow Me To Every Fashion Part in Europe

As the Tape Rewinds
A Show of Hands
As The Tape Rewinds, Rewinds, Rewinds
He Changed The Reel And No One Seemed To Mind

They Played Chess All Day
And No One Seemed To Care
They Played It Yesterday
And No On Seemed Aware

All Night Long
All Night Long
You're Playing Chess All Day
And No One Seems To Care
They Played Chess All Day
And No One Seems Aware

Euthenics X6
