Somebody's Broken Heart
The Face Has Been Exposed To Teardrops
The Kind You Can't Erase, Erase, Erase

Mechanic
To Mend You're Broken Heart

(I Talked Bout Jean This Morning??)
(Who Probably Has A Mess To Hide The String??)
The Kind That Screams (To Them??), You've Been,
You've Been

Mechanic
To Mend You're Broken Heart

He Loves The (Talk about??) Brutal Girls And Boys
To Touched To Grow And Shatter Joys
To Laugh And Cry And Tear Apart
To Walk Away A Broken Heart

Mechanic
To Mend You're Broken Heart

Mechanic
To Mend You're Broken Heart
