What's Gonna Happen When The Clock Strikes Two?

What's The Trigger For

I Can't Tell You Anything That I Don't Already Know

Who's Next To Go

Drop A Few Names And

Stay A Few, Stay A While

So Wrapped Up, It's Cellophane Emission

A Bullet With Her Name

Spell A Few

If I Contend to Talk And Takes A Taxi To The City

Looking For A Photograph

A Second Still

Anything

That's A Picture to Kill

Drop A Few Names And

Stay A Few, Stay A While

It's My Fight And Tears

Again And Again And Again

It's Gonna Happen But You Don't Know Where And

What's Gonna Happen When The Word Gets 'Round

Who Put The Money Up, Who's In Town

But It's Too Late Now

Cause There's Nothing You Can Do

When The Contracts Out On
