What Ever Happened To The Cavalry
We Catch it For A Moment

Sure They Were Imaginary
Imaginary

Maybe I Saw You On The Closed Circuit TV In The
Underground
Moving From The Corners
Maybe The Long Way Around
All Around

How Come There's No One To Fight
It's Sunday Local A to Z
Leaves No One Inside, No One Inside

Just Waiting For The Cavalry X2

What Ever Happened To The Cavalry
We Catch it For A Moment

Sure They Were Imaginary
Imaginary

Maybe I Saw You On The Closed Circuit TV In The
Underground
Moving From The Corners

Maybe The Long Way Around
All Around

Just Waiting For The Cavalry X2
