Lying there in the side of a tomb
Like lying there in your mother's womb
Written bare in blood that was red
Following the book of the dead

Feed the hungry ghost
Feed the hungry ghost

All we are looking for is life
All we are searching for is life

Lying there in the side of a tomb
Like lying there in your mother's womb
Written bare in blood that was red
Following the book of the dead

Feed the hungry ghost
Feed the hungry ghost

All we are looking for is lives
All we are searching for is lives

Feed the hungry ghost
Feed the hungry ghost

All we are looking for is life
All we are searching for is life

Oh yeah

Feed the hungry ghost
Feed the hungry ghost

All we are looking for is life
All we are searching for is life

All we are looking for is life
All we are searching for is life

All we are looking for is life
All we are searching for is life

All we are looking for is life
All we are searching for is life

All we are looking for is life
All we are searching for is life
