Superfragilisticexpialadocious
Is a word to me, mama mia
Losing all my patience
In the hall of fabrications
It's so easy to say, easy to say

When you sing la, la, la, la, la
Stoner hate has got your back
California has been invaded
By a hippie psychopath

When you sing la, la, la, la, la
Stoner hate has got your back
California has been invaded
By a hippie psychopath

And I'm rude, obnoxious
With an intent to kill
Rude, obnoxious
With an intent to kill

Superfragilisticexpialadocious
Is a word to me, just like a mama mia
Losing all my patience
In the hall of fabrications
It's so easy to say, easy to say

When you sing la, la, la, la, la
Stoner hate has got your back
California has been invaded
By a hippie psychopath

When you sing la, la, la, la, la
Stoner hate has got your back
California has been invaded
By a hippie psychopath

And I'm rude, obnoxious
With an intent to kill
Rude, obnoxious
With an intent to kill

Superfragilisticexpialadocious
