Another way
another road
another act
another show -
Another love
another dream
another song for us to sing.
There you are
here I am. What can I do to make you mine?
It be so nice to be with you to spend the night -

On the road
on the road
on the road again

On the road
on the road
on the road again

We're on the road
on the road
on the road again

On the road
on the road
on the road again
here we go.
Another way
another road
another act
another show - . . .
Give me your time
give me your love to get me ready to be yours.
Be so nice to be with you to spend the night -
On the road
on the road
on the road again
. . .
Another way
another road
another act

another show - . . .
There you are
here I am. What can I do to make you mine? . . .
On the road
on the road
on the road again
. . .
Road
road
on the road again - road
road
on the road again

Road
road
on the road again - road
road
on the road again
. . .
