Hey you
watcha gonna do?
Don't you kill the lion in the winter - it ain't cool.
Hey you
leave the king alone -
Don't you know the lion in the jungle is the law.

Don't you kill the lion in the springtime - don't be cruel.

Don't you know the lion in the jungle is the lord.
Hey you
watcha gonna do?
Don't you kill the lion in the summer - it's too hot.
Hey you
watcha gonna do?
Don't you kill the lion in the autumn - what's the point?
Don't fool around with him! Don't fool around with him!
Don't kill the lion - let him go.
The lion should be free ! The lion should be free !
Don't kill the lion - let him go.
Kill the lion - Don't kill the lion
kill the lion - Never kill the lion.
Kill the lion - Don't kill the lion
