On a sweet Sunday morning
14 years ago
I was only 15
Now I'm reminiscing
I broke into a million pieces
Each piece, a thousand creases
A memory of my heart, looking up at the stars

Cause I, I wanted to fly like Superman does
And feel tremendous
Cause I, I wanted to fly like Superman does
And feel tremendous

On a sweet Sunday morning
14 seconds ago
I was only moments from my 15 minutes of fame
I broke into a million pieces
Each piece, a thousand creases
A memory of my heart, now I'm looking at the stars

Cause I, I wanted to fly like Superman does
And feel tremendous
Cause I, I wanted to fly like Superman does
And feel tremendous
Cause I, I wanted to fly like Superman does
And feel tremendous
Cause I, I wanted to fly like Superman does
And feel tremendous

Cause what goes up must come down
And what's coming down is coming down fast
I think you fell on my heart
Cause what goes up must come down
And what's coming down is coming down fast
Flew with the stars
Flew with the stars

I broke into a million pieces
Each piece, into a thousand creases
A memory of my heart, now I look at the stars

Cause I, I wanted to fly like Superman does
And feel tremendous
Cause I, I wanted to fly like Superman does
And feel tremendous

On a sweet Sunday morning
