(Verse 1 - Scarface)

Stupid ho's that I use to fuck around wit  
Way back, see a nigga now and they say that I changed  
Put another notch in the game  
You watchin the range, i'm floatin  
And ain't no stoppin the rain  
Cock and I aim, I see you bitches jockin the name  
Boppin to fame, a crooked nigga droppin in pain  
Rockin a cain, back up bitch, you blockin my lane  
Tryna foul on a nigga cause you hot in the flame  
Fuck you, and them ho ass nigga's you run wit  
Fuck your whole street, you ain't no motherfuckin O.G.  
Cause O.G. means, means you a original gangsta  
Understand pure motherfuckin man  
Ain't no police or judges

You mark ass bitches is low budget  
Straight traitor's, so fuck you and the glass that you  
puff on  
Don't smile in my face, when you see me get the fuck

Dope fiend ass nigga, tryna to get a free check  
Talkin that shit, but you's a motherfuckin bitch  
So when you see a nigga on the flip duke  
I'll flip you, you must be smokin dip fool  
Nothin but a bitch fool

(Chorus: 1x)

"Means, Means you a original gangsta  
Understand pure motherfuckin man"

(Verse 2 - Jayo Felony)

And you know i'm the bird man, cause I sold so much

Beware of the crack pipe, that's by far in ya life  
I got heroin by the balloons, kabooms, and mushrooms  
And my 38.specialist puttin banker's in they tomb's  
I'm one, shot, killed, and these bullets all go  
And you takin finger print's, and mugshots photo's  
I use to beat bitch nigga's till they face turned blue  
But they get weak in dice water, and pedal you in the

And it's true

(Verse 4 - Daz)

On my side of the world it's lo-lo's and jheri curls  
Smokin water by the pearl, runnin the street wit double  
earl's  
I did it all 'fore I can see, walk, and crawl  
Made it out the ghetto, bustin a male, so I can wet y'all  
Took a while 'fore I ball  
Wanted for eight or nine murder's and spoke came  
For cocaine, raw game, another die for what he claim  
And where I'm from they know my name, I cause lot's  
of static  
Automatic's and canic's, and nigga's start to panic  
Ain't no ruler's or leader's runnin the set  
Outta respect we G's, YG'S, and O.G.'s connect  
Fifteen, sixteen in a chevy we roll  
Get you full of hole's, god dog, you scream echo's in  
fo-fo's  
Who dare to mack wit the tarantula and scorpion  
Brought you in the depth's of danger when I tortured it  
I love it when the bustaz squealin  
And they chrome start spillin  
Then ya start the grinnin, and said that nigga Daz did it

(Chorus until fades)
