[Lead: Nilsson]

I come with both truth and lie,  
is there darkness without light  
Break of day without an imminent night  
(Tears without sorrow)  
Time without minutes and hours that slide  
Games begin and end in plays of gain and loss

Deep shallow oceans or hearts without soul  
Learn as your worlds collide

(Sign the pact) I'm the poison that you need,  
I'm the hand that feeds  
If you follow I will lead  
And you sense  
But you fear what lies beneath, triumph or defeat  
I'm both and none  
Hear when I say: the godless pray,  
the sacred lose faith and leaders are all enslaved

Renounce, right now, black and white  
There is shame within your pride  
Yearn to live and breathe yet longing to die  
(Here and gone, high and low)  
Time without the years that pass you by  
Praise the sin and all the fools that heed the cross

Deep shallow oceans or hearts without soul  
Learn as your worlds collide

(Sign the pact) I'm the poison that you need,  
I'm the hand that feeds  
If you follow I will lead  
And you sense  
But you fear what lies beneath, triumph or defeat  
I'm both and none  
Hear when I say: the godless pray,  
the sacred lose faith and leaders are all enslaved

(All-) intact soul-reflecting mirrors crack  
To wake the fake pretender

I am the anomaly
