[Scarface laughing in background]

"Ladies and gentlemen...

Ladies and gentlemen... let's get together  
and give a great big round of applause to  
to a new group..." [Scarface laughing so loud sample is  
obscured]

Ahhhhhhhhhhh shit

Scarface is on the mix

So yo, suck a nigga dick

Or make a nigga rich, or somethin, BITCH

See I come from the place known as the South Park  
Zone

Talkin shit ain't into clickin take your punk ass home

Cause I'm the type of nigga that'll chuck

Hit you in the chest with a motherfuckin tec and watch  
you jump

So die motherfuckers die motherfuckers die

Look deep into the eyes of a killer smokin, fry

One nigga you can't fuck wit

Cause I'm a born killer with the mind of a lunatic

So bring in bodybags when I start bangin

Cause I'm leavin motherfuckers laid out, with they  
brains hangin

Straight gettin down for mine

And I'll fuck up a bitch, cause I don't mind dyin

So feel me drill me, put a bullet in my head, but yo

You can't kill me, cause I'm already dead

Scarface goin psycho, yeah

Play pussy get fucked and take two to your head

[Bushwick Bill]

I'm Bushwick Bill, but call me Chuckie

5th Ward hard bitch, play hero and buck me

Cause I'm known to pull your skull out

Grip a motherfucker by his neck and gouge his fuckin  
eyes out

I'm insane by a longshot, hey

Chuckwick Bill, a.k.a. Charles Libre  
A short nigga with some lonnnng nuts  
Drop you dead in your bed now I'm ready for a long  
fuck  
Necromance that ass for a minute  
And split that motherfuckin click when I'm finished  
You punk bitches be retreatin  
Freddy and Jason runnin home with their mouths  
bleedin  
So welcome to the Slaughterhouse trance  
5th Ward Texas Chuckie's Concentration Camp  
You punk motherfuckers fled  
And those who didn't make it got two to the fuckin head

[Ice Cube]

Buck him down, buck him down, come again  
Two to the chin, Ice Cube'll blast they ass til the end  
With my pistol, runnin from Da Lench Mob  
is How You Survive in South Central  
Kick the instrumental, run and get your bigger crew  
Cause it's Judgment Day, and Ice Cube is Terminigga 2  
Pow pow buck buck pow buck  
Your name is Stucky Mack, now you realize that you're  
fucked  
Two to the brain I leave a migraine  
Have you coolin like a vegetable, but you're not edible  
It's the incredible, buck your ass from head to toe  
Audi 5000, don't wait for the Feds to show  
Cause they'll have me go up up the river  
Where the white boys'll try to make a nigga  
walk, walk the plank, got the shank, hide the tape  
around the handle, gotta let em know what I stand for  
In the chow line, now is the time  
See the trustee, walk up from behind  
Real quick shank shank, leave his ass red  
Motherfucker dead, from two to the head

[Kool G Rap]

See where I come from the crime rate only rises  
The murderers disguise in all ages shapes and sizes  
Bitches picked up and dicked up, niggaz they gettin  
stuck up  
Give up what you got, or get your ass shut the fuck up  
Run em down and gun em down yeah that's how we do  
it  
Niggaz get killed, and then filled with embalmin fluid  
Step to the niggaz that I'm checkin  
Pull out the tec and I reckon you'll get murdered in a  
second  
Bang with the nine, boom with the pow  
Motherfuckers are fallin and crawlin on the ground

Snitches get stitches, bitches that act snotty  
inside the parties even the hotties get turned to bodies  
Now I heard, they got other places that's similar  
But I represent, New York you fuck around I'm killin ya  
A whole block of cops patrollin when I'm rollin  
And if my pockets are swollen you know somebody sick  
I've stolen  
Yeah you niggaz get ripped, when my clip, goes in the  
S-M-I-T-H W-E-Double-S-O-N  
Or the reliable revolver  
And like I said before, it's the motherfuckin problem  
solver  
So bring it on nigga, get brave  
It's plenty motherfuckers gettin sent to early graves  
Cause when a nigga gets fed  
Then all you motherfuckers get two to the fuckin head
