Well I know what you're thinkin'  
Happens all the time  
Being drunk is cool  
Slidin' in the pool  
Well I don't see a real big problem  
'Cuz I'll know more this way  
Just because you suck one dick  
It don't mean that you're gay

Snowflake hand, he breached me  
And it ain't no big deal  
'Cuz I still have a girlfriend  
And she's cool with how I feel

I just lost control  
But it never happened again  
So don't get all disgusted  
'Cuz I know where I've been  
Well johnny started laughing  
And dave's gonna tell my dad  
I know what they're thinkin'  
And I know that it's all bad

Snowflake hand, he breached me  
And it ain't no big deal  
'Cuz I still have a girlfriend  
And she's cool with how I feel

All I do  
It ain't rude  
It ain't wrong  
I'm feelin' you

I just thought I'd tell you  
Something small to share  
So, I'm glad that you're not freakin'  
And it's cool that you don't care  
'Cuz I almost feel imbued  
Gettin' blown by a dude  
But I'm never goin' back  
'Cuz I just ain't got the knack
