Look in the mirror  
And it don't seem to late  
But I can't remember  
Why I have to wait

It keeps me spinning  
In a spiral I fall  
There's nothing to cling to  
No one to hear me call

This time  
Well it's now or never  
I know  
Cause I've been there before  
Last chance  
Should be grasp with both hands  
Not thrown  
Thrown on the floor

I laugh on the outside  
But still there's a terrible fear  
I burn in ambition  
Yeah, it's all I can hear  
I'm cut by the splinters  
Been burned by the rope  
A proposition  
In a entry I fall

This time  
Well it's now or never  
I know  
Cause I've been there before  
Last chance  
Should be grasp with both hands  
Not thrown  
Thrown on the floor

This time  
Well it's now or never  
I know  
Cause I've been there before

Last chance  
Should be grasp with both hands  
Not thrown  
Thrown on the floor  
Thrown on the floor
