What do you want?
Look me straight in the eye!
The truth or a lie,
everything I ever gave, I stole for you!
Cause I done the crime,
and every time,
never spat on your name.
Is this the way it's supposed to be?

Look in my eyes,
hear the words from my mouth:
Calling, calling!
Dry those tears from your baron years,
We're shaking,
shaking off our fears.

And we'll dance in the street-light tonight,
And we'll sing and make everything alright.

Been out of time,
Walked every line,
Always turning my heel.
I've seen sorrow and,
I really know how it feels

Look in my eyes,
hear the words from my mouth:
Calling, calling!
Dry those tears from your baron years,
We're shaking,
shaking off our fears.

And we'll dance in the street-light tonight,
And we'll sing and make everything alright.
Tonights gonna be alright!
we'll meet the new day burning bright
Oh tonight, tonight!

See the morning,
she's dawning: it's a heaven to hold!
And you make it, you make it shine.

And we'll dance in the street-light tonight
you will dance in the street-light tonight

Tonight, tonight, tonight tonight!
Tonight's gonna be alright
we'll meet the new day burning bright,
We'll watch the colors in the changing light
Everything is gonna be alright,
Tonight, tonight, tonight!
