So what's your problem now?
You always have something to complain about
So you placed the blame on me
Just open up your eyes and then you'll see

What's going on?
My priorities have changed and it won't take too long
Can't you see?
That right in front of you, stands the real me, real me

You read me like a book
I still have no idea how you
So you placed the blame on me
Just open up your eyes and then you'll see

What's going on?
My priorities have changed and it won't take too long
now
Can't you see?
That right in front of you, stands the real me, real me

[Incomprehensible]

Can't you see?
What's going on?
My priorities have changed and it won't take too long
It wont take long
