Degenerates :

Do you think you're made of gold?

Invincible?

You think you can handle it?

You will learn from this.

I'm telling you friend

this is something worth fighting for.

Does it not seem contradicting

to sit back and watch them take more?

Caught like a deer in there headlights your stuck now.

You're bound by your fear

I suggest you break free or

you'll forever be damned here.

We are merely degenerates waiting for you to

come sweep us off of our feet!

They keep marching on

spilling blood like savages.

Taking lives while your cigarette burns.

You cant tell me my friend

that that wasn't worth dying for.

gave it all and received nothing

may as well have let them take more.

Dig deep find the courage to speak

are you really still bound by your fear?

This is all just a dream now

you can't speak and your damned here.

We are merely degenerates waiting for you to

come sweep us off of our feet!

They keep marching on

spilling blood like savages.

Taking lives while your cigarette burns.

This is our fight for freedom

this is our way of saying

this is our day.

We've been waiting for this one day all our lives

This nothing short of predictable.

Stop holding your head down

Give it up!

get a hold of yourself now.  
Or give is up!  
Your like a deer in the headlights,  
You've given up!  
To save your life.

We've been waiting for this one day all our lives  
This nothing short of predictable.  
Stop holding your head down  
Give it up!  
get a hold of yourself now.  
Or give is up!  
Your like a deer in the headlights,  
You've given up!  
To save your life.  
Find the will to save your life!
