Stand up!
You know you have the right to!
Speak out!
For the things you that you believe!
If you let them!
They will stab you in the back over again.
Take your integrity.

How long will you let this go on?
They're drowning you in fear.

Speak up!
Your voice just isn't breaking through
It's time now!
It's gone on way too long.
If you let them!
They will tear you into little pieces.
I think there's something wrong.

How long will you let this go on?

They're drowning you in fear.

You're letting your hopes go straight to hell,
And I know the end is near.
Is near.

The time will come.
The time will come.
The time will come.
You will be sorry for what you've done.
The time will come.

How long will you let this go on?
They're drowning you in fear.

You're letting your hopes go straight to hell,
And I know the end is near.
Is near.

You say you're sorry,
For what it's worth.
