Scatting by Scatman John)

Only you,
Only you,
Only you,make my dream come true.
Only you,
Only you,
Only you,make my dream come true.
(Scatting by Scatman John)

Love is not possession and it can't be possessed,
If I should try to own you ,I'd be like all the rest.
I've learnt from past conviction that love is not
addiction,
I've tried that many times and failed the test (Scatting).

Baby,baby,baby,you're so good for my soul,
Baby,baby,baby,I'm the one you can hold.
I've simply got to tell from the bottom of my heart,
The first time that I saw you I was sure right from the
start.

Only you,
Only you,
Only you,make my dream come true.
Only you,
Only you,
Only you,make my dream come true.

(Scatting by Scatman John)

What you are is just enough,
Don't have to be no more (Scatting).
I don't care 'bout the way you wear your hair (Scatting).
I don't need to mold you,
I only want to hold you,
Girl,so you can breath a wholesome breath of air
(Scatting).
Mama,mama,mama come get your baby boy,
Mama,mama,mama you're my sadness and joy.
Your're my life (Scatting), shining bright (Scatting),

You're the beginning of the rest of my life.

Only you,
Only you,
Only you, make my dream come true.
Only you,
Only you,
Only you, make my dream come true.

(Scatting by Scatman John)

Only you can make,
Only you can make,
Only you can make my grey skies blue.
Only you can make,
Only you can make,
Only you can make, my dream come true.
Only you can make,
Only you can make,
Only you can make my grey skies blue.
Only you can make,
Only you can make,
Only you can make, my dream come true.

(Scatting by Scatman John)

Only you,
(Scatting by Scatman John)
Only you,

(Scatting by Scatman John)
Make my dream come true.
