i swear that if i could
i'd take it all
take it all away
all the sorrow and the pain

i'm not responsible
you always say
but you need your space
and this always ends the same

hey, is your heart still beating?
i can't stop the bleeding
i've lost you completely

hey, gather all the heartache
i'll hold it in my hand
just to lose it all again

if there's a bright side
to this suffering
can you help me see?
it's getting harder to believe

you always said that this
would not last long
but it's gone on and on and on
and i just can't make it stop

hey, is your heart still beating?
i can't stop the bleeding
i've lost you completely
hey, gather all the heartache
i'll hold it in my hand
just to lose it all again

they're right this time
i wont pretend to smile
because inside
i'm black and
i am hollow

this time you've

took this way too far [x4]

i'm sick
and tired
inside, inside i'm black and
i am hollow

fine, outside, inside, inside i'm black and hollow
fine, outside, inside, and now theres nothing to show
for

i'm trying to find
what's missing from my life
and now the tables have turned
and this is only temporary

i'm trying to find
what's missing from my life
and now the tables have turned
this pain is only temporary
