I WASH IT DOWN
just to block out all the sound
I NEVER THOUGHT I'D BE ALONE
WELL look at me now

Sleepless nights
Painful goodbyes
Who the hell was I kidding?

the room starts to spin
ALL ALONE AND BLEEDING ONCE AGAIN
CAN YOU HELP ME MAKE THIS
MAKE THIS FUCKING END!!

Oh my God there must be something...
Something to take the pain away
And so there's nothing you can give me...
It's probably better off that way

Just forget
All I ever wanted
Was to forget

Bloodshot eyes and a starless sky

Who the hell are we kidding?

YOU LOOK SO CONTENT
I GUESS THE BRIGHT SIDE
HASN'T FOUND ME YET
PULL ME UP SO I CAN CATCH MY BREATH

Oh my god there must be something
Something to take the pain away
And so there's nothing you can give me
It's probably better off that way

I live my life in the shadows
Of the things i try to hide

Oh my god there must be something
Something to take the pain away

And so there's nothing you can give me
It's probably better off that way
