Well it's all night, all day,  
Angels watching over me, my Lord.  
Well it's all night, all day,  
Angels watching over me.

Well it's all night, all day,  
Angels watching over me, my Lord.  
Well it's all night, all day,  
Angels watching over me.

Well I went down to the valley to pray  
Angels watching over me, my Lord.  
My soul got happy; I stayed all day  
Angels watching over me.

Well it's all night, all day,  
Angels watching over me, my Lord.  
Well it's all night, all day,  
Angels watching over me.

Now, when my heart is said and blue  
Angels watching over me, my Lord.  
I called on him to see me through  
Angels watching over me.

Well it's all night, all day,  
Angels watching over me, my Lord.  
Well it's all night, all day,  
Angels watching over me.

Well, if you get there before I do  
Angels watching over me, my Lord.  
Tell all my friends that I'm coming too  
Angels watching over me.

Well it's all night, all day,  
Angels watching over me, my Lord.  
Well it's all night, all day,  
Angels watching over me.
