Loving God, loving each other,
Making music with my friends;
Loving God, loving each other,
And the music never ends.

They pushed back from the table
To listen to His words,
His secret plan before He had to go.
It's not complicated;
Don't need a lot of rules,
This is all you'll need to know.

Loving God, loving each other,
Making music with my friends;
Loving God, loving each other,
And the music never ends.

We tend to make it harder,
Build steeples out of stone,
Fill books with explanations of The Way,
But if we'd stop and listen
And break a little bread,
We would hear the Master say

Loving God, loving each other,
Making music with my friends;
Loving God, loving each other,
And the music never ends.
