Heaven's getting ready  
For an end it all celebration  
To begin eternity  
With a righteous congregation  
This world's comin' to an end  
And it won't be long  
The party's gonna start  
And go on and on and on

I'll be singin' with the saints at the morning light  
Ringin' in the day 'cause there is no night  
Sayin' goodbye to the heartache  
Trouble and pain  
I'll be sittin' at the throne with an angel band  
Shoutin' hallelujah to the great I Am  
If you think it's a dream  
Well, it ain't, I'll be singin' with the saints

The tambourine's ringin'  
And David starts to feel the rhythm  
Paul and Silas are hummin' a tune  
They wrote in prison  
Well, Gabriel hears the music  
And he picks up his horn  
It's just another glory  
Hallelujah morn

And I'll be singin' with the saints at the morning light  
Ringin' in the day 'cause there is no night  
Sayin' goodbye to the heartache  
Trouble and pain  
I'll be sittin' at the throne with an angel band  
Shoutin' hallelujah to the great I Am  
If you think it's a dream  
Well, it ain't, I'll be singin' with the saints

I'll be singin' with the saints at the morning light  
Ringin' in the day 'cause there is no night  
Sayin' goodbye to the heartache  
Trouble and pain  
I'll be sittin' at the throne with an angel band

Shoutin' hallelujah to the great I Am  
If you think it's a dream  
Well, it ain't  
I'll be singin' with the saints at the morning light  
Ringin' in the day 'cause there is no night  
Sayin' goodbye to the heartache  
Trouble and pain  
I'll be sittin' at the throne with an angel band  
Shoutin' hallelujah to the great I Am  
If you think it's a dream  
Well, it ain't, I'll be singin' with the saints  
I'll be singin' with the saints, yeah yeah, yeah yeah
