Invisible noise. doubt in my eyes. a haunted soul was
my surprise. a flame over my head, a gift she said. to
renovate my spirit, but that didn't do it. crying at the
steps. don't regret. crying at the steps where we met.
tears filled my hands. for what? for what? guilt for my
head. i'm not, i'm not. crying at the steps. don't regret.
crying at the steps where we met. tears filled my
hands. for what? for what? guilt for my head. i'm not.
i'm not. i've been like this since my first breath. i'll be
like this until my death. blood stains on my bed
because of what's inside my head. the flame fades but
the gift remains. crying at the steps where we met.
tears filled my hands. for what? for what? guilt for my
head. i'm not, i'm not. crying at the steps. don't regret.
crying at the steps where we met. tears filled my
hands. for what? for what? guilt for my head. i'm not.
i'm not. take the thorns from your head. take the nails
from your wrist. take the spear from your side and blow
God a kiss. take the thorns from your head. take the
nails from your wrist. take the spear from your side and
blow God a kiss.
