[Nieder / Christ]

That is it, you need a hit  
Radio friendly and kind of trendy  
Think video  
That's the way to go

You've got to push that product and pray for luck  
Write a good clean song and don't say 'fuck'  
That's what you've got to do  
You gotta write that hit, gotta write that hit  
Airplay, everyday  
"Do you think that this song is it?"

Keep it heavy or maybe not  
Try it simple or complicated  
Danceable or kind of pop  
No not too pop! How about Hip-Hop?  
Or a metal thing, maybe a funky swing  
Or try alternative or something in between

You've got to push that product and pray for luck  
Write a good clean song and don't say 'fuck'  
That's what you've got to do  
You gotta write that hit, gotta write that hit  
Airplay, everyday  
"Do you think that this song is it?"

"Oh baby I love you got to hold you  
I got a nine, doin' crime and I rhyme  
Dance, shake your body  
Dance! Dance! Dance!  
Rock 'n' Roll tonight!!!

You've got to push that product and pray for luck  
Write a good clean song and don't say 'fuck'  
That's what you've got to do  
You gotta write that hit, gotta write that hit  
Airplay, everyday  
"Do you think that this song is it?"  
Doubt it

"How about a ballad ?"
