(3D Corporation)

Did you ever fall in love with a corporation? (3D Corporation)
Did you ever work all night 'cause you love your job? (3D Corporation)
Did you ever scan the skin of a tower in Tokyo? (Tokyo)
See Keigo Oyamada hunched over Moogs at 2 o'clock?

(3D Corporation)

3D Corporation
You're the corporation I love

Did you ever sit and work in a room of neon? (3D Corporation)
With Fumiko Masaki and Oka-San all smiles? (3D Corporation)
Pink and white and blue and beautiful luminous neon (3D Corporation)
Friendly curvy squeaky completely astonishing sounds

3D Corporation
You're the corporation I love
