"Sorrow"

Your long blond hair and your eyes so blue
The only thing I ever got from you was sorrow, sorrow

You're acting funny tryin' to spend my money
You're out there playin' your high class games of
sorrow, sorrow

You never did what you know you oughta
Something tells me you're the devil's daughter
Sorrow, sorrow

I tried to find her 'cause I can't resist her
I never know just how much I missed her
Sorrow, sorrow

Your long blond hair and your eyes so blue
The only thing I ever got from you was sorrow, sorrow

With your long blond hair - I couldn't sleep last night
With your long blond hair
