I'm dusting off myself again
I'm picking up the pieces
But where do I begin
It seems that you have moved on too
I guess it's pretty easy
When you have someone new

Fearless
Why are we so fearless
Easy to be fearless
When you're not alone
Fearless
Can you even hear this
Easy not to care less
When you're not alone

I wonder will I be the same
If I put my pieces back a different way
If only I could move on too
Then it would be easy if I had someone new

Fearless
Why are we so fearless
Easy to be fearless
When you're not alone
Fearless
Can you even hear this
Easy not to care less
When you're not alone

Fearless
Why are we so fearless
Easy to be fearless
When you're not alone
Fearless
Can you even hear this
Easy not to care less
When you're not alone

Fearless
Why are we so fearless

Easy to be fearless
When you're not alone
Fearless
Can you even hear this
Easy not to care less
When you're not alone
