Ever since I was young  
I remember it well  
I remember what they'd say  
The teachers at my school  
Always loved to remind me  
That there would come a day  
When I would have to grow up  
When I would have to change  
Or else I'd lose my way

But I don't want to go to work  
Don't want to go to school  
I don't want to know those rules  
I don't wanna  
I just wanna be a rockstar  
Cuz rockstars live in the sky

Now that I'm not so young  
Now that I'm all the rage  
Teachers coming to my shows  
Singing all my songs  
Crowding up by the stage  
Copy me on all my clothes  
They say they always knew  
There would come this day  
When I would find my way

But I don't want to go to work  
Don't want to go to school  
I don't want to know those rules  
I don't wanna  
I just wanna be a rockstar  
Cuz rockstars live in the sky

No I don't want to go to work  
Don't want to go to school  
I don't want to know those rules  
I don't wanna  
I just wanna be a rockstar  
Cuz rockstars live in the sky

Why is that so wrong  
Why is it so wrong  
Oh tell me why is it so wrong  
I wanna be me  
Just wanna be me

No I don't want to go to work  
Don't want to go to school  
I don't want to know those rules  
I don't wanna  
I just wanna be a rockstar  
Cuz rockstars live in the sky

No I don't want to go to work  
Don't want to go to school  
I don't want to know those rules  
I don't wanna  
I just wanna be a rockstar  
Cuz rockstars live in the sky
