What's it gonna take
For me to satiate
To get my fill
Will it be a magical pill
Will I be tantalized
By fame and fortune's prize
What's it gonna take
Tell me what will it take

Left me wanting
Always wanting
Always wanting more
Left me wanting
Always wanting
Always like before

Just one will never do
So maybe I could try two
Bump it up to three
I wonder what it would do to me
Will I be mesmerized
By fame and fortune's size
Wha't's it gonna take
Tell me what will it take

Left me wanting
Always wanting
Always wanting more
Left me wanting
Always wanting
Always like before

Left me wanting
Always wanting
Always wanting more
Left me wanting
Always wanting
Always like before

It's never quite the same
The second time around

You only feel the pain
You're always coming down
You're always coming down
You're always coming down

Left me wanting
Always wanting
Always wanting more
Left me wanting
Always wanting
Always like before

Left me wanting
Always wanting
Always wanting more
Left me wanting
Always wanting
Always like before
