I finally found someone
who knocks me off my feet
i finally found the one
who makes me feel complete
it started over coffee
we started off as friends
its funny how from simple things the best things begin

this time its different, it's all because of you
its better than it's ever been because we can talk it
through

ooo...my favorite line was can i call you sometime
its all u had to say to take my breath away
this is it

Chorus

i finally found someone
someone to share my life
i finally found the one to be with every night
cuz whatever i do it's just got to be you
my life has just begun i finally found someone

ooh someone .i finally found someone

did i keep u waiting? (i didnt mind)
i apologize (baby that's fine)
i will wait forever just to know you were mine (ooh)
you know i love your hair (sure it looks right?)
i love what you wear (isnt it too tight?)
you're exceptional i can't wait for the rest of my life

Chorus

ohh my life has just begun i've finally found someone
and whatever i do..it's just got to be you
ohh my life has just begun....
i've finally found someone.....
