(\*talking\*)

Screwzoo, what's the deal baby  
Lil' Trae up in here, putting it down  
Trying to hold it down, know I'm saying  
Everybody out here, still representing to the fullest  
You know I'ma hold it down fa sho  
Aint no mo' being sad, we gon put it in they face  
Again and again, just like you say know I'm saying  
We gon smile fa sho

[Trae]

Sitting low behind tints, swanging to Southwest  
I got a tech to the chest, penetrating the plex  
And if a nigga don't know, we Down South thugs  
In the Dirty Third, that's going off like slugs  
Beating the boulevard, and swanging in throwed cars  
And talking on cellualars, three plus two broads  
With a bad broad, shotgun up in the frame  
You know Guerilla Maab thugs, be down to pull stunts  
On the first of the month, popped up like trunks  
And when a nigga showing off, we pump up punks  
Fin to dump, showing a nigga Lil' Trae don't play  
Blue over grey with a K, fin to make your day  
Breaking the mic, since my reputwa  
Like niggas at Cornbread's, sipping the bar  
Like Roy Jones, when he be breaking a jaw  
Like two dykes, in a menage tois  
Lyrically, I can't be stopped  
Niggas can't see me, even if I was 3-D  
I told you once, and I'ma say it out again  
S-L-A-B, be raw pimping a pen  
In the wind for the divid-ends, and a big body Benz  
With the bubble lens, moving it down I-10  
Taking a spin, a Cardier with the blue lens  
On my grind, steady stacking all of my ends  
I'm moving slow, turning everybody head  
So you know I'm thoed, I'm fin to pop my do's  
On glass 4's fin to pop my trunk, with a lot of glow  
I got a lot of flow, and a lot of thugs  
From the Southeast side to the block, I put  
All of my ghetto motherfuckers, steady showing love

Throwing a deuce in the air, when they feeling us  
I know you feeling us

[Hook - 2x]

On the Southside  
Candy sprayed, looking so live  
84's and vogues, we glide  
Screwzoo, you know we holding it down

[Trae]

Niggas ain't ready, for what we do  
When I'm in my drop, or in the hoodo  
Pull up on the block, with grey on the blue  
With four 18's, and banging Screw  
I don't give a damn, if y'all hate me  
When it come to rap, y'all can't fade me  
A lot of y'all niggas, know who we be  
I'ma tell you once, you better let me be  
In the zone, cause I'm thoed off  
Niggas wanna think, that I fell off  
But I gotta stay four steps, ahead of y'all  
So when I feel plex, I'ma haul em off  
3-65, I gotta watch my back  
Every song that I'm on, I bring hats  
Gotta hell of a stop, making niggas squash the chat  
I done proved my points, so you better back back  
From Guerilla Maab 3D-2  
Paid my dues, I'm in a store near you  
Staying true, when I'm thinking about Screw  
Everyday, I'ma always loving you  
Mayn, I know it just don't stop  
84's and tipping slow, on chops  
Lose the cops, I got a trunk on knock  
Please believe, Trae headed to the top

[Hook - 2x]

[Trae]

Living down in H-Town, I gotta do my thang  
I'm on the grind full time, holding down my name  
S.U.C. affiliated, niggas hate it  
And I'm still on point, when I'm gripping the grain  
I put it all in your face, when I stay on the paper chase  
And niggas wanna plex, cause I'm ahead of the race  
Better hold that down, cause I'm a real nigga  
Educated in the streets, so I'm clicked up with killas  
Douggo, Rocko, Jay'Ton and By-Bo  
In the air like hydro, they know  
We so toed, kicking down the do'  
And like the Z-Ro say, I'm thinking you better let it go  
Pulling up in the wide body fo' do', with the missing top

So the hoes'll bop, roll stop and drop, you know I cock  
the glock  
And for the P-A-T, you know we still body rock  
In the Coupe or foreign car, slabbed out  
Screens on glow, coming out the stash spot  
Soldiers that's united for the cash, a lot  
And for the love of Screw you, I'm riding on knot  
That's everyday, and I'm loving it mayn  
Ain't shit changed, I gotta go get it  
Come back with it, and I won't quit  
Sideways on a switch, representing for the click bitch
