I am a russian with a rope  
Capital sin  
I am confused to let you go  
I don't know if I dare

I am a frenchie with a rope  
Last come in  
I was a friend two days ago  
I don't know if I care

I am a yankee with a rope  
Seminal spin  
I need to move some heavy load  
Why don't you come in

I am a Tommy with a rope

Soveregin grin  
But long ago I lost the hope  
I rain out of my gin

Don't you be getting afraid  
Cause it's so easy sin  
When all the sinners unite  
It will be easy to win  
People may get on your case  
So look for gullible jerk  
Then he'll be taking your place  
And he will see nuremberg
