The piece of my life
I feel no pain
My car is running
I don't search for a Holy Grail
I think it's funny
You talk about destiny
Please just save it for some other time
No problems to bother me
Simple piece
The piece of my life

Chorus:
Piece of my life

All the time to play
All the fun I'm having
When I need to clean the shirts
I call my mummy

My friends are beautiful
Just as they should be
This is my creed
I have no reason to lie

Chorus:
Piece of my life
Yeah coming in
Of a piece of my life
I know
The piece of my life
Yeah
The piece of my life
