It's hard to be alone  
And that is true  
The village waits for you  
Village waits for you  
Waiting for the few  
Real pros  
To chase the rats away  
Chase the rats away  
Men who know how to score  
Together now  
They always shoot to kill  
Always shoot to kill  
Let's find out who's the best  
In danger zone  
He will stay alive  
He will stay alive

Chorus:  
Solidarnosc  
Dzienkuje bardzo  
Solidarnosc  
Bardzo dzienkuje  
Byc moze

You like to be alone  
Just hit the road  
Leave your friends behind  
Leave your friends behind  
To saddle up the horse  
And ride away  
Right on track  
To saddle up the horse  
But you must turn around  
And face the heat  
And feel the pain  
You must turn around  
One man who bites the dust  
He came for gold  
As he was told  
What would be his take
