Nice legs, Daisy dukes,  
Makes a man go  
That's the way they all come through like  
Tall cut, see through  
Shirts that make you  
That's the way she come through like

Cuz I just set them up, just set them up, just them up to  
knock them  
Cuz I just set them up, just set them up, just them up to  
knock them down

I think I should know,  
How  
To make love to something innocent without leaving my  
fingerprints out,  
Now,  
L-O-V-E's just another word I never learn to pronounce  
How,  
Do I say I'm sorry but the word is never gonna come out  
Now,  
L-O-V-E's just another word I never learn to pronounce

Tight jeans, double d's  
Making me go  
All the people on the street go  
Iced out, lite up  
Make the kids go  
All the people on the street know

Cuz I just set them up, just set them up, just them up to  
knock them  
Cuz I just set them up, just set them up, just them up to  
knock them down

I think I should know,  
How  
To make love to something innocent without leaving my  
fingerprints out,  
Now,  
L-O-V-E's just another word I never learn to pronounce

How,  
Do I say I'm sorry but the word is never gonna come out  
Now,  
L-O-V-E's just another word I never learn to pronounce

You know that type of sh-  
Just don't work on me  
Listen, no trying to flirt with me  
Don't take this personally  
Cuz we were never in love  
It doesn't really matter who you say you are  
Singing out the your car  
Find another girl across the bar  
Cuz L-O-V-E's not what this was

I think I should know,  
How  
To make love to something innocent without leaving my  
fingerprints out,  
Now,  
L-O-V-E's just another word I never learn to pronounce  
How,  
Do I say I'm sorry but the word is never gonna come out  
Now,  
L-O-V-E's just another word I never learn to pronounce

Yeah yeah brap
