Dere once was a monkey sitin a tree  
Countin up 1, 2, 3  
With his shotgun he wud kill u all  
So he joined da zoo army brap

Da leader was a gorilla  
And he wud crush u all in a sec  
With da lions, tigers n girrafes  
So they joined the zoo army brap

I went 2 da zoo yesterday  
To see wot da zoo kepper had 2 say  
Dey sed it's not ma fault there killin ya all  
So I went 2 check out this zoo army

Dey were killin everyone dere  
Even though they were mainly hair  
Dere was a completly mad brown bear  
Who had joined da zoo army

It was a sad day 4 all people there  
As the zoo army with there hair killed 70 people  
Yeah yeah yeah  
Da zoo army  
Da zoo army  
Da zoo army brap
