Let's go!

Since 14 years ago,

I saw you out that door,

Then I kissed you and I saw,

And I saw you and I fought.

I said I watch outside,

And I seen you there,

And I been awake,

And I run away,

I said...

I watch outside...(watch outside) (2x)

Now I'm a grown up, I'm a man,

And I kiss you in my mind,

And I saw the cold outside.

I'll be seeing you when I die.

And I watch outside,

And I been aware,

And I seen you there,

And I'm unaware,

I said...

I watch outside...(watch outside) (2x)

Okay!

And I watch outside,

And I been aware,

And I seen you there,

And I'm unaware.

I said...

I watch outside...(watch outside) (8x)
