I had some problems  
And no one could seem to  
solve them  
But you found the answer  
You told me to take this  
chance  
And learn the ways of love  
My baby  
And all that it has to  
offer  
In time you will see that  
love  
Wont let you down

Oh

You said that you loved me  
And hurt only came to  
pass me  
It sounded so convincing  
So I gave it half the  
chance  
And learned the ways of  
Love  
My baby  
And theres so much love  
inside me  
All that I have I give my  
all to you

Oh

All this love is waiting  
for you  
Cause I really love you  
baby  
Oh I really love you honey  
all this love is waiting  
for you

I had some problems  
And no one could seem to

solve them  
But you found the answer  
And I gave it half the  
chance  
And learned the ways of  
Love  
My baby

There is so much love  
inside me  
And all that I have I  
give my all to you  
Yeah  
All this love is waiting  
for you  
My baby, My honey  
All this love is waiting  
for you  
My honey  
Everytime you make me  
feel this way  
My love gets stronger for  
you everyday  
My baby  
And all that I put myself  
through  
I found that all I really  
needed was you  
My honey

Say you really love me  
baby  
Say you really love me  
honey  
Cause I really love you  
baby  
Oh I really love you honey  
Say you really love me  
baby  
Say you really love me  
honey  
Oh cause I really love  
you baby  
Oh I really love you honey

As the sun goes through  
the sky  
I love you stay near me  
And all the same there's  
no reason to wonder why  
I need you please hear me

All this love  
Is waiting for you
